Re: National Retirement Planning Week® 2016

Dear Ms. Weatherford:

The key to a secure financial future is the development of a comprehensive retirement plan. Unfortunately many consumers are unaware of the financial challenges ahead and are unprepared for retirement. As a Member of Congress, I believe it is a national priority for us to communicate the importance of retirement planning so that all Americans can enjoy their later years.

National Retirement Planning Week raises awareness of these important issues and provides Americans with the information they need to make informed decisions regarding their long-term finances. I applaud you for your leadership in organizing and leading the National Retirement Planning Coalition and admire the contributions of its members who are working hard to educate Americans about the importance of retirement planning. I wish you all the best as you continue this important campaign.

Sincerely,

Carolyn B. Maloney
MEMBER OF CONGRESS
