Dear Ms. Weatherford:

Preparing for a financially secure retirement is important for all Americans. Therefore, I was pleased to learn about the National Retirement Planning Coalition's initiatives during National Retirement Planning Week. Your efforts to promote awareness about the important of comprehensive retirement planning and provide Americans with essential information so that they have the opportunity to achieve financial security during their retirement years is extremely beneficial.

Thank you for your leadership in spearheading the National Retirement Planning Coalition. I commend all of the coalition members for their efforts to educate Americans about the importance of retirement planning through National Retirement Planning Week.

Sincerely,
